

PILLOW SPEAKER HOLDERS

BEDSIDE HOLDER

- ▣ Fits over most side rails and puts the pillow speaker within easy reach of the patient
- ▣ Eliminates the need to wrap the pillow speaker cable around the bed rail, which can damage the cable
- ▣ All buttons are accessible by the patient for hands-free use

White: 22718

WALL HOLDER

Mounts directly to the wall to keep the pillow speaker secure when not in use.
